

# Google Classroom

## Making teaching **more productive and meaningful**

Streamlines assignments, boosts collaboration, and fosters seamless communication

### Why use Google Classroom?

#### Set up faster than a class sits down

- Invite students and create your first assignment in minutes
- Manage assignments and communicate with students all in one place
- Designed hand-in-hand with teachers to make it intuitive for educators

#### Priceless for students

- Free for schools
- Best-in-class security at no additional cost

#### The tools you need when you need them

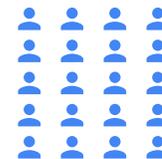

- Integrate Docs, Forms, Slides, and other Google tools to engage students
- Connect 1:1 with students or collaborate with the whole class
- Refresh your curriculum with integrated education tools and apps

#### Amplify your teaching power

- Personalize learning with instant and individual feedback
- Save time and trade rote tasks for creative ones
- Join a growing community with resources to support every class

### Classroom by the numbers

**40 million+**  
students and  
teachers are using  
Google Classroom

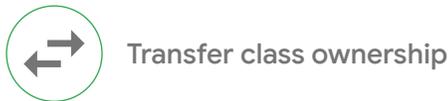

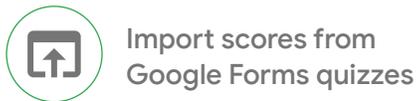

“By allowing students to submit their work with Classroom, I can keep track of my sections, view grades easily, and mark assignments during any free time I have, without having to carry stacks of paper around. Classroom has made this process so easy and convenient.”

**Laura Barton**  
Science teacher  
Fontbonne Hall Academy

## What's new with Classroom

New tools and features to help teachers and students get the most out of Classroom

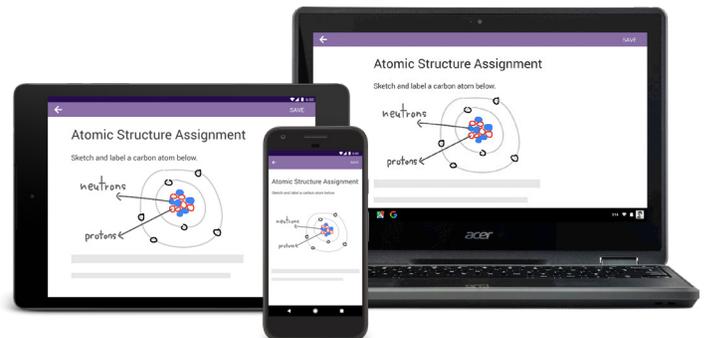

## Collaborate anytime, anywhere

With G Suite for Education and Classroom, teachers and students can work on their own or collaboratively, wherever they are and on any device

## Apps that work #withClassroom

Save time with seamless sharing between Classroom and your favorite apps

“The Classroom app has been transformational, enabling students to learn wherever they are. With [G Suite], 4,000 students and teachers are active every day, a dramatic increase from 200 students two years ago.”

**Paul Rabone**  
Professor of Electrical Construction & Rugby  
Warwickshire College Group
